HELPED SUPPORT HIS FAMILY

MRS. DEEDS SAYS HER HUSBAND GAVE HER \$1.75 AND A CABBAGE.

Claims This Was All She Got During the Past Eighteen Months—Judge Gates Grants Another Divorce in Ten Minutes.

Judge Gates, who issued his first decree of divorce on Wednesday, is evidently going to make something of a record in that line. Yesterday he granted another decree and the second divorce trial of the day was begun.

Mrs. A. Alice Stewart was given a divorce from J. J. Stewart, the defendant not putting in an appearance. Mrs. Stewart went upon the stand and testified that she was married in this city a few years ago and had lived at Salt Lake City until her husband left her without cause and went to his parents in London, Canada. For the past year and a half she has not heard anything from him. Mrs. Stewart's aunt, with whom she lives, and a lady friend, went upon the stand and testified to her good character, and there was nothing for the court to do but grant the divorce. The whole proceeding occupied less than ten minutes.

Mrs. Annie Deeds, a hard working woman of middle age, is suing J. M. Deeds for a divorce, and the defendant is contesting the case. They were married in Paola, Kan., sixteen years ago, and lived there until a few years ago, when, so Mrs. Deeds testified on the stand yesterday, Deeds abandoned her and went with another woman to Armourdale. During the past year and a half, she testified, her husband had contributed \$1.75 in money and one head of cabbage to the support of his wife and three children. She testified that she had taken in washing and sewing to support herself and family. Deeds claims in his cross-examination that his wife left him and that he had not been able to earn enough money to support his family or to enable him to pay her alimony.

LECTURED THE CHILDREN.

Judge Scarritt Said They Should Consider It a Duty and a Privilege to Support Their Mother.

Judge Scarritt yesterday decided the suit of Mrs. Elizabeth A. Hyatt against her son, Reuben Hyatt, for support, finding for the son and lecturing the children for quarreling over who should support their mother.

Judge Scarritt declared that the suit should have never been brought into court at all, but that the children should consider it not only a duty but a privilege to support their aged mother. He advised them to get together and see that their mother was taken care of during the rest of her life.

STAR ROUTE CASES SETTLED.

Wife of the Late H. M. Valle's Partner in Mail Contracts Given Judgment for \$5,000 Against the Estate.

Judge Scarritt rendered three decisions yesterday in suits against the estate of the late H. M. Valle, growing out of the famous "star route" mail contract conspiracy of 1895.

Frances J. Minor, wife of Valle's partner in the "star route" conspiracy, Oregon and Texas, was given judgment against the estate for \$5,000. J. P. Williamson's suit for \$5,000 was settled by a due bill for that amount and John A. Blair was awarded 1 cent damages against the estate. The three cases grew out of the indictment by the United States court in Washington against Valle and Minor for "extorting" the United States mails.

CONVEYED TO THE COMPANY.

Deed Transferring the Northeast Electric Road Filed Yesterday.

Samuel M. Jarvis and R. R. Conklin, representing the trust company from which the northeast electric road is being sold, filed yesterday a deed conveying the property to the company. The consideration named is \$125,000.

In connection with the transfer, a deed of trust for \$125,000 was filed, and an amount was filed by the company, the North American Trust Company and E. G. Vaughan being named as trustee and contractor respectively.

A Pair of Divorces Wanted.

Augusta May Franzheim filed suit for divorce yesterday at Independence against her husband, who she charges with gambling all of her property away soon after marriage. Although she has a child 7 years old, the plaintiff wants her maiden name restored to May Hany.

Appeal in North Terrace Case.

Judge Slover yesterday allowed an appeal to the supreme court to Langston Bacon and J. H. Looney in the North Terrace condemnation case. The appellants are allowed ten days to file a bond for \$2,000 and thirty days thereafter to file a bill of exceptions.

Court Notes.

August Phillips yesterday filed a chattel mortgage for \$2,000 on his stock of goods at 302 Union street in favor of the Union Avenue Bank of Commerce.

Elizabeth McDowell brought suit yesterday for \$1,000 against the Northeast electric road for injuries alleged to have been sustained some months ago by reason of an electric car leaving the track at Independence and Grand avenues.

Judge Scarritt yesterday gave judgment by default for the plaintiff for \$2,000 on each of fifteen counts in the suit of the National Bank of Kansas City against the Excelsior Springs Company. The negro defendant is held for trial.

Carrie A. McMillan applied yesterday for a temporary injunction, which was granted.

Cards are out for a dancing party, given for Master James B. Porter, Jr., and the lady members of the Epworth Society, at the residence of Mrs. E. R. Weeks, 109 Cherry street, this afternoon at 4 p. m., to discuss with Miss Makenda the details of the work of the "Band of Mercy."

Mrs. Edwin S. Yeomans entertained at luncheon yesterday Mrs. T. J. J. of Marshall, Mo. The other guests were Mrs. E. E. Porter, Mrs. H. E. Grimes, Mrs. William Scarritt, Mrs. J. E. Grimes, Mrs. Edwin Fulton, Miss Ashby of Helena, Mont., and Miss Gertrude Scarritt.

The Oriental entertainment to be given at the grand and avenue M. E. church this evening, under the auspices of the Woman's Home Missionary Society, will enlist the services of twenty-five ladies and gentlemen, who, in costume, will assist Mr. Anton Bohanness in his exposition of the home life and customs of the people of Palestine. A small admission fee will be charged.

ABOUT HALF THROUGH.

National Bank Examiner Lynch Talks of the Affairs of the Missouri National Bank.

National Bank Examiner Lynch said last night that he is about one-half through with his work of examining the affairs of the Missouri National bank.

"You understand," said he, "that I do not examine banks, though my title would indicate that I do. I haven't examined a bank for twelve years. My work is to serve as a mediator between the receiver and the controller of the currency. Very often in the affairs of a bank like this questions come up on which the receiver is undecided how to act. It is my business to set him right in these matters. Unless we decide some questions, the bank will be through in two more days."

C. H. Lee, a broker of Goodland, Kan., who was a depositor in the bank, was given a hearing yesterday. He was told that he had \$1,000 in the institution, \$2,000 of which was deposited two days before the failure. He maintains that the bank had no right to take his money when it was threatened with insolvency.

Beaming With Smiles.

Are the countenances of people who have found speedy and thorough relief from malarial, kidney, bilious, dyspeptic or nervous troubles, the aid of Hostetter's Stomach Bitters. Such countenances are very numerous. So are letters from the owners attesting the efficacy of the great family medicine. Among the signals of distress thrown out by the stomach, bowels and liver in a state of disorder, are sick headache, heartburn, nausea, loss of appetite, sallowness of the skin and eyeballs, and an uncertain state of the bowels. They should be heeded at once. If the Bitters are resorted to, the way is open to cheerful looks, produced by renewed health. If you are drifting on the coast of disease, throw an anchor to windward by summoning the Bitters to your assistance. It will keep you in safety.

A Course in Electricity.

A course of twelve lectures on "Electricity" will be given by Professor Lucien I. Blake of the University of Kansas, at the Lyceum hall, 104 West Ninth street, Tuesday evenings, beginning January 21 and ending April 8.

It has been several years since Professor Blake has given such a course in this city, and much interest is manifested in the coming course of lectures. Professor Blake brings a large quantity of electrical apparatus for purposes of instruction.

Although given under the auspices of the Kansas City Medical college, Washington and Seventh streets, the course will be a popular and eminently practical one, and not a course of medical electricity.

The "Best Pill I ever used."

is the remark of purchasers of Carter's Little Liver Pills. When you try them you will say the same.

Wants Her Husband Located.

Mrs. Martin Sarsfield, wife of a Santa Fe trucker, living at 190 West Prospect place, has asked the police to locate her husband, who, she says, has been missing since Monday night with \$20. Tuesday night Sarsfield was arrested at Central police station for being drunk and disorderly and after being kept over night was discharged. He is 32 years old.

A woman who is weak, nervous and sleepless and who has colds and feet, can not feel and act like a well person. Carter's Iron Pills equalize the circulation, remove nervousness and give strength and rest.
